

# Avery Dennison® TrafficJet™ Setup Menu Diagram

Instructional Bulletin : # 9.05  
 Revision : # 01  
 Last Updated : June 2018

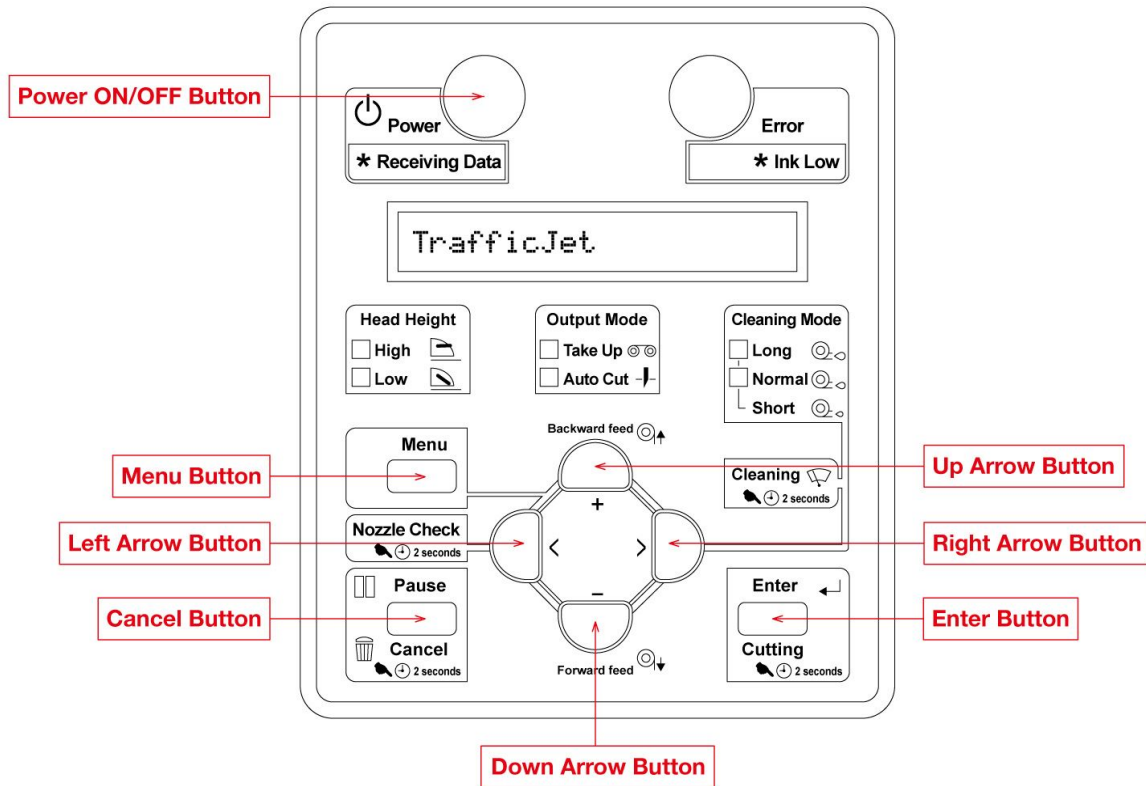

The diagram of panel setup menu is as follows. Refer to the Operation Manual for the details of each setting.  
 The set value shown in "<>" stands for the default value of each setting.

The set value for the following items can be changed while the printer is operating. Refer to the Operation Manual for the detail of each setting.

The above Avery Dennison literature provides information to the user for proper application, storage and other requirements. Please refer to Product Data Bulletins or your local Avery Dennison Representative for warranty information. Find the latest information on the Avery Dennison website, [www.reflectives.averydennison.com](http://www.reflectives.averydennison.com). We encourage you to check our website periodically for updates.

All statements, technical information and recommendations about Avery Dennison products are based upon tests and information believed to be reliable, but do not constitute a guarantee or warranty of any kind. All Avery Dennison products are sold with the understanding that Purchaser has independently determined the suitability of such products for its intended and other purposes.
