

# TrafficJet™ Plus

The TrafficJet Plus printer is built on a proven platform including an integrated dryer for fast print speeds up to 15 m<sup>2</sup>/hour while reducing ink consumption. CMSpot6™ inks and included software automates sign making, simplifying the printing of specification compliant traffic control, wayfinding, and custom signage.

## Key Features

**FASTER PRINT SPEEDS**

**REDUCED INK CONSUMPTION**

**SIMPLE & EASY OPERATION**

**ENVIRONMENTALLY FRIENDLY**

## Unrivaled Performance

- Best cost-to-print speed ratio at 15 m<sup>2</sup> per hour
- Double the speed of the HP Latex 360/365 printer at a fraction of the cost for electricity and consumables
- 15-year OmniCube™ traffic sign warranty
- 12-year High Intensity Prismatic traffic sign warranty
- 10-year custom color warranty using CMSpot6 Inks
- Built in graffiti cleanability with OL-1000 film

## TrafficJet Sign Features

- Add multi-color logos for agency identification and branding
- Sequential addressing and numbering
- Fine detail allows agency name to protect against theft; fabrication date, and bar coding for improved sign maintenance
