SECTION 4: FIRST AID MEASURES

No need for first aid is anticipated under recommended usage conditions.

SECTION 5: FIRE-FIGHTING MEASURES

In case of fire: Use a fire fighting agent suitable for ordinary combustible material such as water or foam.

SECTION 6: ACCIDENTAL RELEASE MEASURES

Solid material, not applicable.

SECTION 7: HANDLING AND STORAGE

This product is considered to be an article which does not release or otherwise result in exposure to a hazardous chemical under normal use conditions.

SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

This product is considered to be an article which does not release or otherwise result in exposure to a hazardous chemical under normal use conditions. No engineering controls or personal protective equipment (PPE) are necessary.

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Reflective Material
Physical State: Solid
Color: Varied

SECTION 10: STABILITY AND REACTIVITY

This material is considered to be non reactive under normal use conditions.

SECTION 11: TOXICOLOGICAL INFORMATION

This product, when used under reasonable conditions and in accordance with the directions for use, should not present a health hazard. However, use or processing of the product in a manner not in accordance with the product's directions for use may affect the performance of the product and may present potential health and safety hazards.

SECTION 12: ECOLOGICAL INFORMATION

This article is expected to present a low environmental risk either because use and disposal are unlikely to result in a significant release of components to the environment or because those components that may be released are expected to have insignificant environmental impact.

SECTION 13: DISPOSAL CONSIDERATIONS

Dispose of contents/container in accordance with the local/regional/national/international regulations.

SECTION 14: TRANSPORT INFORMATION

Not regulated as hazardous by U.S. DOT, IATA, or IMO.

SECTION 15: REGULATORY INFORMATION

Chemical Inventories: This product is an article as defined by TSCA regulations, and is exempt from TSCA inventory requirements.

For additional regulatory information on this product contact your application consultant.

SECTION 16: OTHER INFORMATION

The information herein is believed to be correct as of the date issued. Avery Dennison makes no warranties, express or implied, and assumes no liability in connection with any use of this information. User is responsible for determining whether the product is fit for a particular purpose and suitable for user's method of use. The information contained in this document should not be used in place of the user's assessment of risks as required under various health and safety regulations.
